

# CONSUMERS' CHECKBOOK

Hi-Tech Termite Control  
21063 Cabot Blvd #6  
Hayward, CA 94545-1156

Dear Hi-Tech Termite Control:

Would you like to let your customers know that you've been rated by Consumers' Checkbook and for them to see that you've earned top ratings?

As a top-rated business, you're invited to place a badge on your website.

If clicked on, the badge leads directly to your Checkbook business page which allows customers to see your full ratings for free.

To get started, you must register with us at [Checkbook.org/business](https://checkbook.org/business), where you can download Checkbook approved artwork. Please use the following activation code:

After successfully registering at [Checkbook.org/business](https://checkbook.org/business) you will be asked to agree to the following terms of use. Failure to abide by these rules will lead to removal from the program.

- You must use the artwork we have provided, without alterations. You may not, for example, add that your business is "top rated" or "rated #1" or any other such language.
- If you choose to display our logo on your company's website, you must make that image an active hyperlink that leads to the Web page we have created for users who click on the link.

You may use Checkbook approved artwork to promote your business, which may include your website, advertising, brochures, company vehicles, signage in your office or store, and invoices.

**There is no cost to your company to use these materials, and no cost to your company to be rated by Checkbook.** Our website and publications are supported solely by direct sales of subscriptions to consumers, and we do not accept advertising or financial support from companies we rate.

If you have any questions about this program, please contact Jen Betkey at 800-213-7283 ext 3027 or [jbetkey@checkbook.org](mailto:jbetkey@checkbook.org).

Yours truly,
